

Special Offer: Set of 3 MarCal 16 EWR

Digital caliper for production

The digital caliper MarCal 16 EWR is superbly protected against dirt, coolants and lubricants so as to withstand all workshop conditions. The proven and innovative „reference“ system, the „lock“ function (key lock) and the ergonomic design guarantee the highest level of operating comfort and performance. The large, high-contrast LCD can be read safely and easily. Without data output, the MarCal 16 EWR is the attractive and economical solution for measurements in your production.

Top Features:

- Excellent readability thanks to the large, high-contrast display (digit height 11 mm)
- Suitable for the toughest workshop conditions (protection class IP 67)
- Ready to measure immediately thanks to the “reference” system
