

Mahr | Product of the Month December 2021

Get your **digital micrometer set** at a special price

Get the new generation of digital outside micrometers: the Micromar 40 EWR 0 – 100 mm set. Benefit from practical features such as a large, easy-to-read digital display, the functional and compact design and the familiar Mahr accuracy. The flexible MarConnect interface for data transmission and the IP 65 protection category also ensure a wide range of possible applications.

Top features:

- High-contrast display and rapid drive
- Stainless spindle, hardened throughout and ground
- Spindle and anvil carbide-tipped
- Ratchet is integrated in the thimble
- Flexible MarConnect data interface
